# Horoscope Charts

## Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. Day of fast	Tuesday

देहं रूपं च ज्ञानं च वर्णं चैव बलाबलम् |

People with Aries rising tend to be energetic, pioneering, rash, argumentative, selfish, impulsive, quick-tempered, aggressive, assertive, headstrong, independent, alert, mechanically-inclined, physically active, self-promoting, self-centered in an unthinking way, and more thoughtless than mean.

You have a general dislike for restraint of any kind, don't like to be told what to do, need to learn diplomacy and tact, need to look before leaping, need to better learn how to channel your energies for more constructive purposes and results.

“ Like the ram who symbolizes this sign, you tend to butt your head against your problems hoping that with enough force you can eventually knock down whatever stands before you, including people.

You like the challenges of life and are very competitive and sometimes combative. You get bored easily with routine and one thing you may need to practice more of is persistence.

You tend to jump from one thing to another, always looking for something new.  
Finish what you start before moving on. Mars rules Aries so Mars will be  
important in your chart.
